GPC Welcomes Leadership Atlanta

Leadership Atlanta

Leadership Atlanta is the oldest sustained community leadership program in the nation and celebrates more than 49 years of developing leaders. Together with an expansive network of distinguished alumni, Leadership Atlanta continues a proud tradition of connecting and inspiring leaders to strengthen metro Atlanta's communities.

The core of Leadership Atlanta's programming is their signature nine-month, executive-level series. Approximately 85 established leaders are chosen each year to represent a broad cross-section of metro Atlanta. Through retreats, full-day seminars, service projects, discussion groups and community tours, members explore critical community issues, examine themselves as leaders and build relationships of trust and mutual understanding.

In 2004, Leadership Atlanta founded LEAD Atlanta, an initiative for emerging leaders. LEAD Atlanta is designed for young professionals between the ages of 27 and 34. Through personal and professional development and broad exposure to the community, LEAD Atlanta aims to equip young leaders early in their careers with the skills and knowledge needed to be an effective leader committed to the common good. The LEAD Atlanta program follows a similar model to the signature program and also includes retreats, full-day seminars and service projects.

The Leadership Atlanta experience does not end at graduation. For alumni of both programs, we offer an extensive calendar of alumni programming each year, allowing graduates to remain connected and informed through topical forums, dialogues, and social gatherings. In addition, alumni form committees that plan each year's class program and alumni events.

Earth Day Every Day

Thank you to everyone who stopped by and participated.

JLL teamed up with Energy Star to celebrate Earth Day and share information on GPC's sustainability programs. With the help of A1 Shredding & Recycling, we shredded over 1,200 pounds of paper.

For more information on how to save energy at work and at home visit www.energystar.gov

Sustainability Corner

The current ENERGY STAR score for Georgia-Pacific Center is 83. Georgia-Pacific Center exceeds the threshold of a score of 75 to achieve a 2017 ENERGY STAR Certification Label. The 2018 Energy Star Certification application will be submitted in the second half of the year.

Recycling at GPC

Recycling at the property involves a single-stream collection system, which allows plastic, paper and metal to be collected in one bin. In addition to the single-stream program, Georgia-Pacific Center also recycles:

- Shredded Paper
- Bulbs-Ballast
- Electronic Waste
- Corrugated cardboard
- Batteries
- Composting

Here's what we recycled in Q1:

Type	Amount
Shredded Paper	6,482.0 lbs
Bulbs and Ballasts	0.0 lbs
Electronic Waste	475.0 lbs
Plastic	596.4 lbs
Aluminum	54.7 lbs
Paper	12,248.9 lbs
Cardboard	11.3 tons
Batteries	0.0 lbs
Composting	14,962.50 lbs

Meet Some New Faces At GPC

Jay Thurman

Lanier Parking – Senior Operations Manager

Jay has nearly eight years of experience in parking garage management with Lanier. He has successfully managed accounts for the Georgia Aquarium, Atlantic Station, as well running the Savannah region before arriving at Georgia-Pacific Center. Jay is replacing former Manager Seth Kaplan who transitioned to a different role within Lanier Parking. When Jay is not hard at work, he enjoys spending time with his family.

"I have a lot of special project experience and I'm hoping to bring some exciting new things to GPC." – Jay Thurman
