Reserved	\$140

PARKING OFFICE:

Garage Level 1
404-585-4513

MONTHLY PARKING

Your parking access card is the same card as your ID badge. All cards are non-transferable and require a \$15 non-refundable processing fee with each application.

Monthly cardholders are required to use their parking access card when entering and exiting the parking facility. Access cards must be used in an "in-out" sequence. Failure to use the card in its proper sequence will disable the card. Should your card become lost or damaged, please take a ticket upon entering the facility and proceed to the parking office for ticket validation and card replacement.

VISITOR PARKING

Visitor parking is located on Level 1. These spaces are clearly marked and available for building visitors only. Visitors requiring an all-day stay must park on Level 2 or above.

VEHICLE CLEARANCE

The clearance level for the GP Center garage is **6' 7"**. Please be advised that any vehicle not adhering to these limitations may risk serious damage while attempting to enter or exit the parking facility.

Neither the owner nor management of the parking garage will be responsible for any vehicle damage. Oversized vehicle parking is available on Level 1-C. Access must be made from the Courtland St. entrance/exit.

BIKE PARKING

Secured bicycle parking is available on Level 1. Please contact the parking office for access.

AFTER-HOURS

Garage business hours are from **6 AM to 7 PM Monday through Friday.**

After-hours entry to the garage can be made through the lobby or by swiping your access card at the pedestrian doors. Vehicles with valid access cards can enter/exit Courtland St. 24/7. Visitors may exit the garage after hours by completing payment at the pay stations at the Courtland St. exit.

UNAUTHORIZED PARKING

Parking in reserved spaces or occupying more than one space at once will result in the towing of your vehicle. Towing is enforced 24/7. Parkers may arrange to leave their vehicle overnight by calling the parking office.

CAR WASH & DETAILING

Spiffy (Level 1-C) provides a variety of on-site auto services, including detailing and oil changes.
